Press Release

IMTS 2008 Show – September 8-13, 2008

Chicago, IL

IMTS 2008 is the 27th edition of the premier manufacturing technology show in North America. More than 1,500 exhibiting companies will occupy 1.2 million net square feet of exhibit space at the McCormick Place complex in Chicago, Illinois. IMTS is held every even-numbered year in Chicago and attracts more than 91,000 buyers and sellers from 119 countries.

Manufacturing industry professionals from the United States and from over 119 countries from around the world attend IMTS. They attend to see more than 15,000 new machine tools, controls, computers, software, components, systems and processes that can improve their efficiency. They will also gain valuable ideas and insights from over 1,200 of the world's leading equipment producers.

Join Laser Photonics at booth #B-6157 as we will be exhibiting a few of our marking, cutting and engraving systems at the show. We also welcome you to bring samples and we will be happy to mark, cut or engrave them for you!

[If you wish to register for IMTS, please contact Laser Photonics for complimentary passes.](#)
